The editors of the journal request the contributors to kindly adhere to the following requirements

- The articles/research papers should be original and exclusive to the Journal and have not been published previously in print or electronic media. It should be accompanied by a disclaimer letter stating the originality of the article/research paper.
- Pattern of the article/research paper should be :

*(i) Title (ii) Author's Name (iii) Abstract {max. 100 words} (iv) Key words 4-5 (v) Introduction (vi) Materials & Methods (vii) Observations (viii) Result & discussion (ix) Acknowledgment (x) references.*

---

**Submission of Manuscripts.** Manuscripts, including all text, figures, and tables should be submitted electronically to Anu Books, Meerut at [anubooksmeerut@hotmail.com](mailto:anubooksmeerut@hotmail.com) / [Journal@anubooks.com](mailto:Journal@anubooks.com). All text, data, and reference, should be contained in a single file as an MS Word or other common text file. Each manuscript must be accompanied by a statement that it has not been published elsewhere or submitted simultaneously for publication elsewhere. Authors are responsible for obtaining permission to reproduce copyrighted material from other sources and are required to sign an agreement for the transfer of copyright to the publisher. All accepted manuscripts, artwork, and photographs become the property of the publisher.

---

**Format.** All parts of the manuscript should be typewritten, using 1.5 spacing in text and 1.0 spacing in tables and figures. Number manuscript pages consecutively throughout the paper; however, do not use line numbers.

**Abstract:** Each article should be summarized in an abstract of less than 150 words.

**Keywords:** Abstracts should be accompanied by four to six keywords which should facilitate indexing and data retrieval purposes.

---

**Illustrations.** Illustrations (line drawings, halftones, photos, photomicrographs, etc.) should be clean originals or digital files. Digital files are recommended for highest quality reproduction .

---

**Tables and Figures.** Tables and figures should not be embedded in the text, but should be included in number order at the end of the text after the reference section. A short descriptive title should appear above each table with a clear legend and any footnotes suitably identified below. All units must be included. Figures should be completely labeled, taking into account necessary size reduction. Figure legends should be below the figures. When submitting manuscripts by hard copy,
