

AIM & SCOPE

RJPP is an OPEN ACCESS, Peer Reviewed and Refereed International Journal. The Principle purpose of RJPP is to provide worldwide platform for the national and international scholars to exchange their ideas through dissemination of original high quality research articles, conceptual framework, empirical and analytical research social welfare notes in the field of social services, political service and philosophy. It covers the topics of contemporary issues of Human Concern.

Special issues devoted to important topics of Humanities and Social Sciences are also published in RJPP. The Journal is published in both print and online versions.
