

Copyright and Licensing Policy

Copyright

Copyright of the articles published in **Review Journal of Philosophy & Social Science** remains with the respective author(s), unless otherwise stated in a specific article or agreement.

Authors retain the copyright in their original work and grant **Review Journal of Philosophy & Social Science**, published by **Anu Books, Meerut, India**, a non-exclusive right of first publication.

By submitting an article, the author(s) confirm that:

- the work is original and has not been published elsewhere in substantially the same form;
- they have the necessary rights and permissions for all third-party material included in the article;
- they have the authority to grant the publishing rights described in this policy; and
- publication of the article does not infringe the copyright or other rights of any third party.

The granting of publication rights to the journal does not constitute a transfer of copyright ownership from the author(s) to the journal or publisher.

Open Access and Licensing

All scholarly articles published by **Review Journal of Philosophy & Social Science** are made immediately and freely available online without subscription, registration or embargo.

Unless otherwise stated, published articles are licensed under the **Creative Commons Attribution 4.0 International License (CC BY 4.0)**.

Under the CC BY 4.0 license, users may read, download, copy, distribute, print, search, link to, and adapt the published work, including for commercial purposes, provided that appropriate credit is given to the original author(s), the article is properly cited, and any changes are indicated.

The applicable Creative Commons license and copyright information will be clearly displayed on the article and/or article webpage.

Author Rights

Authors may:

- share and distribute their published article;
- deposit the published version (Version of Record) in institutional, subject or other appropriate repositories;

- use the article for teaching, research and other scholarly purposes;
- include the article in a thesis, dissertation or academic work;
- reuse their own work in future books or other scholarly publications, with appropriate acknowledgement of its original publication in **Review Journal of Philosophy & Social Science**; and
- retain all copyright and other rights not expressly granted to the journal.

No embargo is imposed on the self-archiving of articles.

Publisher's Rights

Anu Books retains the non-exclusive right to publish, reproduce, distribute, archive, preserve and make the published version of the article available through the journal website, indexing services, repositories and other scholarly communication platforms.

These rights do not prevent the author(s) from exercising their rights under the applicable Creative Commons license.

Website Copyright

The copyright and terms applicable to the **Anu Books website and journal website design, logos, trademarks, graphics, editorial layout and other website-specific materials** are separate from the copyright and licensing terms applicable to individual scholarly articles.

Unless otherwise stated, website materials may not be reproduced or reused without appropriate permission.

For further information regarding copyright and licensing, please contact the journal editorial office.
