

## **JOURNAL GLOBAL VALUES**

**AIM:** The Journal Global Values (JGV) provides a forum for interdisciplinary and high-quality research to develop an improved understanding of social problems and meaningful contributions to academic thought, public policy and social betterment. JGV offers a dynamic platform for researchers and practitioners to engage with one other and develop insights across a range of disciplines, including Commerce, Forensic Science, Economics, Geography, History, Home Science, Psychology and related disciplines.

**SCOPE:** JGV accepts original research articles, review papers, theoretical studies, perspective pieces and case studies in both online and print formats. JGV covers academic contributions aimed at improving our understanding of human behaviour, social organizations, and cultural realities. Along in works involving the social sciences, JGV intends to support interdisciplinary and cross cultural research in both practical and theoretical domains.
