

RJPSSs

AIM:- RJPSSs aims to promote high-quality, interdisciplinary research that deepens understanding of social issues and contributes to academic knowledge, public policy, and social development. It serves as a platform for scholars and practitioners to share insights across Economics, Education, Philosophy, Politics and Sociology related fields.

SCOPE:-RJPSSs publishes original research articles, review papers, theoretical studies, and case analyses that contribute to the understanding of human behavior, social institutions, and cultural dynamics. The journal welcomes interdisciplinary and cross-cultural research that bridges gaps between theory and practice. It covers a broad spectrum of disciplines within the social sciences, arts and humanities.
