

Review Journal of Political Philosophy

AIM: The Review Journal of Political Philosophy (RJPP) provides a forum for interdisciplinary and high-quality research to develop an improved understanding of social problems and meaningful contributions to academic thought, public policy and social betterment. RJPP offers a dynamic platform for researchers and practitioners to engage with one other and develop insights across a range of disciplines, Political Science, Political Philosophy, Religion, Law, Public Relation including and related disciplines.

SCOPE: RJPP accepts original research articles, review papers, theoretical studies, perspective pieces and case studies in both online and print formats. RJPP covers academic contributions aimed at improving our understanding of human behaviour, social organizations, and cultural realities.
