Message From Management

It gives me great pleasure to formally announce the successful release of the much awaited first edition of special issue “Journal Global Values” in association with Rani Bhagyawati Devi Mahila Mahavidyalaya, Bijnor. This journal is subjected to stringent peer review and academic examination. I am proud to share this important accomplishment with you and acknowledge all of the hard work and devotion that has brought us to this success. This remarkable journey, marked by unflinching devotion, successful collaboration and a relentless pursuit of academic excellence has led to the achievement of this journal. The first issue which was carefully selected and included articles from eminent academics, researchers and professionals has really raised the bar for knowledge sharing and examining important topic in the field of expertise. The primary goal of Journal Global Values is to provide a platform for the exchange of innovative concepts and viewpoints of Global resonance. I convey my sincere gratitude to authors, reviewers, members of the editorial board and the industrious devoted crew who have brought the vision of our first special issue. I extend a warm invitation to delve into the stimulating articles and profound research housed within the pages of our debut issue. Let this journal be a source of inspiration for further explorations, deep conventions and the continuous enhancement of our collective intellectual landscape. As we move forward together in this “Journal Global Values” initiative, let us remain committed to holding the utmost standards of academic excellence. Your continued support and active engagement are deeply appreciated.

Message From Editors

It give us immense pleasure to bring out the inaugural special issue of 'Journal Global Values', a prestigious peer reviewed and refereed international journal for our college that is wholly dedicated to the exploration and continuous advancement of knowledge and values. The Journal is passionately committed to serve as a platform that encourages rigorous academic enquiry into the multifaceted spectrum of values that shape the very essence of individual lives across the globe. In this era of globalization and rapid the critical examination and profound understanding of values are crucial for the better understanding of the complexities of our interconnected world. Within the pages of this inaugural issue, you will discover a collection of enlightening research articles, intellectually stimulating essays and engaging discussions that delve deep into diverse facets of global values and offer new perspectives and insights. Each contribution in this journal serve to enrich our understanding and propels the ongoing discourse on global values towards new horizons of knowledge and understanding.

My heartfelt gratitude extends to the esteemed authors who have graciously entrusted us with their scholarly work and to the diligent reviewers who have generously dedicated their time and expertise to ensure the quality of the articles presented within these pages. We also extend our deepest appreciation to the editorial board and the dedicated team behind "Journal Global Values" for their commitment and tireless efforts in bringing the inception of this exceptional fruition. We whole heartedly thank the authors for enriching the content of this inaugural edition. We believe that the sharing of their invaluable feedback and contribution of their unique research insights to the forthcoming speical editions of "Journal Global Values".

Thanks & Regards.
